Automated reminders and alerts do the follow-up for you.

They're **confident** in our platform powered by Stripe, which has earned the highest grade of payment processing security.

Our **online dashboard centralizes everything** in an easy-to-use hub.

1

Online Registration

You'll start by sending out a link to your trip page. There, in just a few minutes, adults can complete registration for their student travelers. With a few short clicks, they'll submit all the required information – without you collecting a thing.

2

Online Payments

Next up, families can easily pay online and customize their payment preferences. They can set up an easy-to-manage payment schedule, create multiple parent accounts if they need them, and more. Fundraising, booster money and even crowdfunding can be applied here, too!

3

Online Management

This is the best part! You can access your trip dashboard to see who's registered, who's paid and who hasn't – then sort, filter and message any family you need to, completely online.

With Trip Donations by BRT Payments...

- **More students can travel.** At BRT, we're committed to helping as many students as possible to enjoy the life-changing benefits of travel, and this is one more way to do that.
- **Your trip is more likely to happen.** When more students are able to travel, that means your trip is less likely to have to cancel.
- **You'll have less fundraising to do.** We're already seeing great results as we roll out this new feature, with some students receiving hundreds of dollars in donations. This reduces the overall fundraising burden.

It's Easy as 1-2-3!

1

After your trip deposit is paid, students and parents will receive a link they can share via email, social media, or however they like.

2

Then, anyone can safely donate to that student's trip by following a few simple steps. Donors can choose the amount they'd like to contribute, and, if they prefer, they can do so anonymously.

3

Donations will immediately appear on the traveler's payment timeline. *It's that easy!*
